

The children have been amazing at settling back into their Nursery routine after their half term break. This week we celebrated Bonfire Night, and the children were very excited to talk about all of the different coloured fireworks they saw. Nursery also painted their own fireworks pictures and used forks to spread the paint on their paper to create the effect of exploding fireworks. The children also learnt a new counting rhyme about fireworks too.

*During our number work this week, the children have been brilliant at singing a number song called Five Little Rockets. The children were able to count and check they they had five rockets on their Bonfire Night scene.

This week the children have been introduced to a new story called "Peace at Last." The children have been pretending to be Mr Bear and they used the Home Corner as his house. The children were brilliant at listening and identifying all of the different sounds that kept Mr Bear awake.

Events Next Week

- **Tuesday 11th November -Remembrance Day**

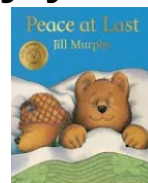

- **Friday 14th November – Children in Need "Spots"**
Children can bring £1 and come to school wearing something spotty.

Story of the Week

Home Learning Challenge

Which nursery rhyme is your child's favourite to sing at home? Ask your child what it is and they can share it with the nursery next week when we celebrate World Nursery Rhyme Week. Also, you could upload it onto Seesaw.

Rhyme of the Week

This week we have enjoyed singing the rhyme 'Five Little Rockets'. See the rhyme below if you want to sing it at home too! Don't forget to share this on Seesaw.

Five Little Rockets

Five little rockets standing in a row,
Five little rockets standing in a row,
When one little rocket decides it's time to go,
Five, four, three, two, one, blast off!
There'll be four little rockets standing in a row.

Four little rockets standing in a row,
Four little rockets standing in a row,
When one little rocket decides it's time to go,
Five, four, three, two, one, blast off!
There'll be three little rockets standing in a row.

Three little rockets standing in a row,
Three little rockets standing in a row,
When one little rocket decides it's time to go,
Five, four, three, two, one, blast off!
There'll be two little rockets standing in a row.

Two little rockets standing in a row,
Two little rockets standing in a row,
When one little rocket decides it's time to go,
Five, four, three, two, one, blast off!
There'll be one little rocket standing in a row.

One little rocket standing in a row,
One little rocket standing in a row,
When one little rocket decides it's time to go,
Five, four, three, two, one, blast off!
There'll be no little rockets standing in a row.

Magical Moments

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw. We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2/3 wheeler bike? Have they learnt to put on their own coat? Can they use their own knife and fork? Let us know!
