

This week Nursery read a story called Supertato. The children predicted what they thought would happen in the story before they read it. Most of the children predicted correctly and said the Evil Pea would be nasty to the fruit and vegetables and Supertato would help them.

This week Nursery have also looked at an artist called Guiseppe Arcimboldo. He was an artist who created portraits using fruit and vegetables. Nursery made their own brilliant portraits too! They were able to name the different vegetables they used and name the different parts of the face they represented.

Nursery also made some very delicious vegetable soup too! They helped to wash the vegetables and put them into the pan.

Nursery have also been learning about 2D shapes and they went on a shape hunt around Nursery. They found rectangles, circles, squares and triangles.

Story of the Week

Home Learning Challenge

Naming Fruits and Vegetables

This week Nursery have been brilliant at naming the different types of vegetable used to make their soup. If you are out and about at the supermarket, ask your child to name some of the different types of fruit and vegetables they can see.

Rhyme of the Week

This week we have enjoyed singing lots of nursery rhymes. Our favourite this week has been "One Potato, Two Potato". See the rhyme below if you want to sing it at home too! Don't forget to share this on Seesaw.

One Potato, Two Potato

One Potato, two potato,
Three potato, four.
Five potato, six potato,
Seven potato, more.
Eight potato, nine potato,
Now we've got all ten.
Let's put our potatoes back
and count them all again.

Homework Bag Reminder

This week a group of children will take a homework bag home on Friday and this needs to be returned on the following Monday. Please check that all of the pieces are in the bag when it is returned. Thank you.

Magical Moments

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw. We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2/3 wheeler bike? Have they learnt to put on their own coat? Can they use their own knife and fork? Let us know!
