

This Week....

In phonics we have been revising the digraphs **er, ee, ai, oa** and the trigraphs **air** and **igh**. We have also been learning how to longer words such as **carrot, fantastic** and **muffin**. In English the children have been introduced to our key text Little Red. They have really impressed us with their writing and have written a story prediction.

We have enjoyed sharing lots of different stories when celebrating World Book Day and the children loved being in school in their pyjamas!

In maths we have been looking at the composition of the number five. The children have been using tens frames and counters and part whole models to solve problems and explore the different parts of five.

Reception Newsletter 6th March 26

This Week's Book

Planting

As part of our Science topic the children have enjoyed planting outside. We have been watering our bean plants daily and we cannot wait to see them grow.

Star of the Week

Bluebells: Elivia-Mae Naylor
Daffodils: Anas Gaziev

These children have been caught going over and above this week!

Next Week....

Starting from next week Reception will also have PE on Thursdays. Can you child please come into school in their **PE kits** each **Monday** and **Thursday**.

Next week is Science week. The children will be exploring different science experiments each day!

Don't forget to check Seesaw for photographs!

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw. We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
