

## This Week....

We have read our key text 'The Storm Whale' and have been learning key vocabulary from our story such as **raged**, **wondered** and **shore**. We have sequenced the story using our story friends and created our own story board, in preparation for writing the story next week.

1. Opening

2. Build up

3. Problem

4. Ending

In phonics we have been consolidating all phase 3 sounds and we have been reading and spelling words such as **stair**, **street** and **sweet**. We have been practising the tricky words **are**, **pure**, **sure**, **here**, **little**, **says**, **was**, **do** and **were**.

In maths we have been finding different ways make 7, using counters and whole part models. We have also been using tens frames and counters and the rekenreks to show the different parts of 7.

## Reception Newsletter 19<sup>th</sup> June 2026

### This Week

### Pie Corbett Story

### Sports Day

A big well done to all of the children for competing in sports day. They all did a fantastic job, they all tried their best and showed real resilience! A big thank to all of our lovely families who attended and cheered them on too. What a lovely morning followed by an ice pop as a treat afterwards. Don't forget to check out seesaw for photographs.

## Star of the Week

**Bluebells: Ferne Craig**  
**Daffodils: Myla Broadhurst**

**These children have been caught going over and above this week!**

## Yoga Bears

The children have absolutely LOVED joining in with our yoga sessions each Wednesday (don't forget it's PE kits). They have enjoyed meeting the seven different coloured bears which have superpowers that originate from the seven Chakras that are found within the body.

Mulu - Red Grounding Bear.  
Stan - Orange Creative Bear  
Pura - Yellow Strength Bear  
Hata - Green Love Bear  
Sid - Blue Kindness Bear  
Ajna - Pink Dreams Bear  
Rah - White Freedom Bear

We love to see and hear about your child's achievements at home. We would love if you would share these with us on Seesaw. We would love to see their reading, writing, maths, creative and physical skills at home. Have they learnt to ride a 2 wheeler bike? Have they learnt to make their bed? Can they tie their shoe laces/ fasten buttons/buckles? Let us know!
